Perth has some of the most fascinating golf courses of the world. Visitors come from all over the world and enjoy playing golf at Perth's 47 golf courses\*. Why not come and join us for 2 to 3 hours on Sunday mornings and make the best of what Perth has to offer. You do not have to be a good player to play golf. We are a group of players of varying level of skill, who usually play golf on Sunday mornings from 8 AM to 10:30 AM. We normally play social golf at Point Walter Golf Course in Bicton but, occasionally move around other golf courses in Perth.

If you are interested in joining us for weekly social golf, please contact any of the following for more details:
